

Winter IPM Insect Habitat Workshop

Thur. Nov 05, 2026

2pm-4pm

**At the Corrales Family Practice
Garden (3841 Corrales Rd,
Corrales, NM 87048)**

Fri. Nov 06, 2026

10am-12pm

**At the Los Ranchos de ABQ Larry P.
Abraham AgriNature Center
(4920 Rio Grande Blvd NW, 87107)**

Learn tips to provide winter habitat for beneficial insects in your garden, and control pest populations for the spring. Featuring Joanna Bloese, NMSU IPM Specialist, and Bethany Abrahamson, Sandoval Extension Agriculture Agent.

This workshop is free and open to the public.

If you are an individual with a disability who is in need of an auxiliary aid or service to participate, please contact the Bernalillo CES Office at 505-243-1386 / the Sandoval CES Office at 505-867-2582 by two weeks prior.
