# PRESSURE CANNER TESTING

## BERNALILLO COUNTY

Bring your pressure canner for testing  
at the Bernalillo County Extension office.

Have your pressure canner dial gauge  
checked and prepare for your next  
food preservation project.

Plan ahead  
for your next  
canning day!

### DATES & TIMES

**October 14, 2026**

1:00 PM – 4:00 PM

**November 11, 2026**

1:00 PM – 4:00 PM

### EARLY DROP-OFF AVAILABLE

Drop off your canner  
before either testing day  
and pick it up after  
that testing day.

### LOCATION

1510 Menaul Blvd. NW, Albuquerque, NM 87107

Please label your canner with your name  
and contact information.

## GET READY FOR YOUR NEXT FOOD PRESERVATION PROJECT!

If you are an individual with a disability who needs  
an auxiliary aid or service to participate, please  
contact Phillip Alden at [Palden@nmsu.edu](mailto:Palden@nmsu.edu) or  
call 505-243-1386.

NMSU Cooperative Extension Service, New Mexico  
State University is an equal opportunity employer  
and educator. NMSU and the U.S. Department of  
Agriculture cooperating.
