Calling 4-Hers, leaders, parents and agents: we need your help!

Researchers at NMSU want to learn how to make online 4-H learning labs better. YOU can help us by participating in a study. You would sign up for the study (which means you would "consent" to be involved), take a quick online survey, use an online learning lab, and then take 2 more quick surveys over the next few months. We'd like to send you a hands-on science kit as a thank you. We are hoping 4-Hers age 8 and above, AND parents, leaders and agents will all participate. Feel free to share with others in the 4-H community as well.

Sign up is only open until April 28, so please sign up by then! We need 4-Hers, parents, family members, leaders AND agents to participate!
